"I'm excited to be starting this Musical Theatre for Kids. My classes include singing, dancing, and acting. There will be show at the end of each 12 week session. The children will be in a safe environment and will be able to use their imagination, gain confidence, and flourish as a performer. There will be auditions for lead roles but everyone will be in the production. My goal is to introduce the children to my love of performing and to help them grow as performers and learn their craft.
